Volume 35 No 5

Well, don't say we never bow to public pressure. It's been a good few months since we last lured Natasha into our clutches for a shoot, and – after a barrage of correspondence from you lot – we've finally decided it was time we got her back. To be honest, it's not like it's that much of a hardship – we've had a bit of a hard spot for the home-grown beauty ever since we first featured her a couple of years back, and there are certainly worse ways to while away an afternoon than in a studio watching her get her bits and pieces out and playing with herself. So if anybody wants to write in insisting we do it again, please feel free. On top of that, we've finally managed to pair up two of Club's very favourite girls, the ever-horny Stella and the babe-tastic Jo. And if you think we were happy to see them together, I can't tell you just how chuffed they were to be, erm, 'working' together! **The Ed.** ♣

UP CLOSE & PERSONAL

Firstly let me congratulate you on being the very best wank mag available. Yours is the only one to consistently feature only the fittest girls. There's never been an 'eight-pinter' among them, in my opinion they're all real stunners and my cock aches just looking at them. It seems that every single girl that you feature is in a class of her own and I wouldn't turn any of them down – given the chance!

My own personal likes are: tits not too big or melon-like, hairless pussies and gorgeous eyes. To nitpick for a minute, I hate stretched and distorted cunt lips and any layouts where soapsuds or oiled skin prevail. I'm more the sort who prefers natural girls who are sporting the 'just woke up' look.

Anyway, to my question: Could you please make a feature of always including a couple of full-page pussy shots of each girl. I mean a single full page framed shot of her crack from top to bottom margin where we can see every beautiful fold and crevice, making sure every petal has been suitably loosened up and in full bloom.

My own favourite is the wonderful shot of Jenny (vol 34.9), which I would love to see with just those fucking amazing pussy lips blown up to a full page. You never do this and I wondered why? Is there some publishing law that requires full body shots only? I know some of the European mags do this but most of their girls are dogs, not top models like yours. So come on *Club*, give us cunts like they should be – six inches from our eyes!

Dave, Cumbria

That's a nice suggestion, Dave, but as much as we'd like to show all our gorgeous girls' cunts as close up as we can, we don't want to be held responsible for making all our readers go cross-eyed!

'ZETTE'S APPEAL

I've only just put down last month's excellent issue of your magazine because I can't seem to bring myself away from the pictures of Suzette. I'm not usually into blondes but after laying my eyes on her I'm an instant convert. She is an absolute babe and I don't think I've ever seen a *Club* model I'd like to fuck as much as her. Sure, girls like Stella, Josie and Chanta are nice but Suzette is head and shoulders above them in my humble opinion. I can't wait to see more of her and I certainly hope it won't be too long. Saying that, I'm sure the pictures of her in last month's issue will keep me going for a while!

Ben, Harwich

BRAGGIN' WRITES

I've just had the shag of my life and I'm so happy about it I want to tell the world. But it's probably easier if I just tell you. I'm 25 and I still live at home with my parents and my 18-year-old sister. Now my sister has got some really fit mates and one of them, Helen, is always hanging about at our house, even when my sister isn't at home.

One week I was working earlies and when I got home in the afternoon Helen was at our house. We were talking and having a cup of tea like we always did when she said she would really enjoy watching a film. I had been watching a porno DVD the night before and completely forgot it was still in the DVD player when I told her there was probably a good one there and ready to play.

She pressed play and Wham! some guy's cock was stuffed in this little slut's tight arsehole right there on the screen in front of us. I was amazed when Helen didn't turn it right back off but instead came over and sat right next to me.

"That's not really what I had in mind," she said, snuggling up close to me on the sofa, "but if you want to watch it, I'm cool with that. Especially since that guy's cock looks really nice."

What was I to say? Instead of agreeing I said, "My cock is just as nice."

Helen said she didn't believe me and that she would have to see for herself.

I couldn't believe what I was hearing come out of her normally well-spoken mouth. But I knew exactly what I wanted to put in that mouth, so I just relaxed and played along with her. She reached over and started to undo my flies, saying, "I'm so

Considering how elegantly beautiful Abbie is, it's quite surprising to see her getting her kit off in the less than glamorous surroundings of our boiler room. We had planned the shoot for the company boardroom with Abbie doing the saucy secretary routine but unfortunately it was double booked. So being the seasoned professionals that we are, we quickly improvised on the location and the theme.

"I don't mind, I'll strip off anywhere!" Abbie reassured us when we informed her of the sudden change of plans. "I've done it in much seedier places. A few years ago I worked as an air hostess. I'd just landed back in England and was in a rush to meet a friend so I thought I could save time by getting changed in my car in the airport car park. Now I've only got a small car so I thought if I had the boot open no one would see me. How wrong I was. I'd just stepped out of my hostess uniform and was standing there adjusting my knickers as they had got wedged in my slit, when the engine of the car right next to me started. I turned round in horror to see an old couple inside it looking in my direction. I was frozen to the spot but luckily the couple drove off rather quickly!" ♣

JUST WHAT THE DOCTOR ORDERED

It must be over a year ago now that I spotted my princess on the top shelf of my local newsagent. I was captivated and mesmerised by this divine goddess on the cover of *Club International* and so I instinctively clutched hold of a copy on the spur of a moment.

Natasha, nurse Natasha, Vol 34.4. In her nurse outfit, with her gorgeous shapely legs clad in sexy black stockings, she is my dream girl. Her cherry red lipstick, sublime blonde hair, black panties… all my fantasies are ignited. There are fit birds, there are beautiful birds, and then there is nurse Natasha, queen of totty land.

She has given a middle-aged white van man a lot of pleasure. God bless her!

hungry, are you going to feed me?"

I was getting so excited my balls tingled as she worked my jeans down and off over my feet. My still soft dick is relatively small in that state and she smiled, saying, "what a cute little fella, let me see him."

With that, she took my cock in her hand, kneading and massaging it, talking so dirty. She stopped and pulled her shirt off to reveal her 34 CC cup breasts that were so firm. She knelt down and took my rising, hardening cock into her warm mouth while staring straight into my eyes from down there. She kept moaning and groaning and sucking on me until I was harder than I think I have ever been.

Helen sucked harder while gently tugging my balls then she slid her throat down over my swollen shaft down to the base. Not once, but over and over, slowly and perfectly.

She was kneeling in front of me still and out of nowhere she wrapped her big firm tits around my cock and bounced them up and down, telling me not to come yet and that she wanted me to save it. The thing is I couldn't handle it with this young fox all over me like a rash. I was about to let my load go when she sensed my spasm and backed off, in an effort to keep my eruption at bay.

She then stood up and walked over to the stairs. She climbed the first two and bent over, demanding I fuck her. She was caressing her own tits and licking her firm nipples as I came up from behind her. I grabbed her waist and then began to tease and prod her with my cock, slipping only the head in and reaching around to rub her clit as she begged for more. Then I slammed my meat deep into her. She shuddered and her knees went weak. She collapsed on to all fours and I became relentless – this girl was going to get fucked like never before.

I slammed her against the banisters as I pumped her as hard as I could from behind. My balls were slapping against her in rhythm with my fuck strokes and she was weak and turned limp until her orgasm arrived. At that point she screamed and bucked but I pulled out to look at her nice little arse. I asked if she wanted me to do her there and she admitted that she had never had it up the bum before. With that I just smiled.

I laid her on her back and with her legs over my shoulders bent her into position to see that virgin arse. I spat on my fingers and wet her hole. She reached down and grabbed and guided me to her. I took it real slow and easy, until I felt her anal passage just open up for all of me. I slid it all the way inside of her until she couldn't take it then I pumped harder and harder. She was screaming and telling me that it felt so good and that she was coming.

I fucked her harder, right through her orgasm then I slowed down and withdrew from her. Her arse was still wide open, I wanted more but I knew she wanted my hot load all for herself. I reached for a towel on the floor and wiped myself clean while she eagerly waited, fingering herself. I walked up to

MAMA MIA MARIA!

How pleasing it was to see *Club* come up with the goods once again and introduce another brand new babe for our wanking pleasure. I am of course talking about the delightful debutante from 35.4, Maria. It's obvious she has all the trappings of a classy *Club* babe, but I think she has that little bit extra.

I can't believe that she is single and she's resorting to a plea in your pages for a partner but I guess that only gives lonely men like me a little bit of hope in finding love. Of course, I'm not too bothered about all that slushy love business, I'm more concerned with how I'd look hanging out the back of a gorgeous girl like Maria!
Adam, London

THE CUNT COUNT

Yes, it's that time of the year you've all been looking forward to. No, not the World Cup, that's next month. We're talking about the results of our Girl of the Year 2005 poll. Your votes have been coming in by the sack load, but we've finally got round to counting them, and the results are as follows: Surprise, surprise, Stella has taken the top spot for another year running. Well, she is the quintessential *Club* cooze. Another favourite, Kyla Cole comes in at number two pandering for those of you who prefer a sophisticated brunette. And taking the third position, just as she did last year, is Jana. So it appears some things never change, and that can certainly be said about the quality of our girls! Congratulations to B. Nolan of Dorset, who got the top three in the right order and bags himself a year's subscription!

her and rubbed my cock on her face and across her lips. Her mouth opened once again and she worked my cock over with great eagerness. She stopped to wank me off, working her sexy little hand with her glass ring on it over the rim of my head, ordering me to come.

She was thirsty and she wanted all my milky seed. Her hand kept busy, up and down, over and over. When I tensed she pulled me out of her mouth and just as she did I came with huge thick ropes of sticky love juice all over her face and tits. I mean she drained me and sucked my last drop off the head as it trickled out. She told me how tasty it was. Just then my sister arrived home. We hastily dressed ourselves and swapped the porn DVD for a clean one before she came in the lounge. She must have known something was up by the looks on our faces. Or the stray strands of my spunk in Helen's hair!

CULINARY DELIGHTS

After seeing your gorgeous Reader's Girlfriend Dion showing off her stuff in the kitchen last month I was reminded of a very special time I had a few months back, so I thought I'd share my saucy experience with you and your readers.

It was a Saturday afternoon and I had invited one of my female friends over to help me cook dinner for my boyfriend. I was going to make spaghetti and marinara sauce, bread with olive oil. Jane arrived and we got to work in the kitchen. While we were gathering the ingredients, Jane accidentally knocked over the bottle of olive oil. While she was cleaning it up, she got some on her fingers and very slowly licked them clean. I found myself staring at her teasing actions; I never realised how hot and sexy she was. I was noticing her buoyant tits, her flat stomach and tight arse. I started to get really turned on watching her slowly take each oily finger out of her wet, tempting mouth.

> **"Her arse was still wide open, I wanted more but I knew she wanted my hot load all for herself"**

I was curious to see how far she'd go because as much as I knew, she had never been with a girl before and neither had I. I picked up the bottle of oil and splashed some onto her chest. She saw right through me and knew that I wanted to see her oiled up. She stripped down to her knickers and poured the oil all over herself. I watched her rub it all over her round, supple breasts and large nipples. She moved her hands down her tight tummy to soak her white knickers with the smooth liquid on her fingers.

I couldn't take much more teasing; I had to have her. I stripped down naked and slid her soaking knickers off her rim, shaped, strong thighs. We fell to the kitchen floor in an oily mess and I started eating her slippery pussy. It tasted warm and wet and I couldn't get enough. While my face was in her sweet muff, I reached my hands up to rub her slippery hard tits. She came and I licked up every last oily drop.

Jane happily returned the favour and as her tongue was licking my clit, I reached up and stuck my fingers into her dripping slot. We were having such a delicious time neither of us noticed that my boyfriend had walked in and witnessed our afternoon treats. He had a huge grin on his face and a huge bulge in his trousers, so I told him to take the trousers off. I poured oil on his long, hard, thick prick and sucked him dry while he watched as I continued to finger Jane's tasty slot while she kept licking my hole. Watching Jane's face in my crotch made me and my boyfriend come in tandem and I swallowed his warm, salty juice.

By the end, we were all a dripping mess of oil and come. It was such a pleasurable afternoon that all three of us get together almost every Saturday now and recreate the pleasure of great food and even greater sex!

OH-PEN ALL HOURS

Work, rest and play are all rolled into one for these two!

PHOTOS: ROBBYE BENTLEY

When we asked Penny and her pal Monique how they liked to relax off camera, we realised we were asking a question we already knew the answer to. Put it this way, if you were an attractive young porn model with bi-sexual tendencies and you were left to your own devices with an equally attractive young porn model also with bi-sexual tendencies, do you think you'd unwind with a quick game of cards? No, we thought not. And Penny and Monique are no different.

"If there's pussy there, I'm going to eat it," the raven haired Penny declared. "It doesn't matter if I've been eating pussy all day in front of the camera. I always want to eat more. I say you can never have enough pussy."

"Yeah," adds Monique, "you'd think there are times when you've had a really busy shoot and the last thing you want is to keep things going when the day is over, but I find it's the perfect way to wind down."

"Plus, when there's no one pointing a camera at us, we can do things not even the photographer dreamed of!" ♣

THE NAKED HISTORIAN

PART 5: THE AMAZONS

ANYONE WITH A TV KNOWS THAT THE ROMANS INVENTED CENTRAL HEATING, AQUEDUCTS AND BRAZILIAN WAXES, BUT WHERE THE FUCK DID EVERYTHING ELSE COME FROM? NIGEL PULLMAN-CARRIAGE INVESTIGATES…

Regular viewers will be painfully aware by now of my aim, to educate you in the histories of races and civilisations that aren't deemed lucrative enough to cover by my showy and shallow TV historian contemporaries. Thus, by avoiding all the cheap tricks that others of my ilk would stoop to in order to sucker in a vast audience, The Naked Historian with Nigel Pullman-Carriage may not show you how to dress as a Roman for some tacky fancy dress party, but it will "dress" your brain with fact in a pretty "fancy" way instead.

So now let us turn to the north of Sarmatia Asiatica, to a legendary nation of warrior women, to Amazonia, home of the Amazonae, the Amazonni, the Amazonidae, in short, yes, the Amazons. So, as I'm contractually obliged to do so, let's ask the question: What the fuck did the Amazons do for us?

VIBRATING THROUGH HISTORY

Little is known about the the Amazons, save what the ancient Greeks wrote of them, particularly Herodotus who said: "They're a bit butch and need to shave, but hey! – any hole's a goal…" so you may be surprised to learn that a lot of what we take for granted today owes its existence to them…

Naturally, lesbianism was rife. Nothing new in itself, since dykism had been invented in Greece a full 10 years earlier, but the Amazons were a particularly inventive breed of lezza who quickly devised a fiendishly clever pleasuring device. Around 8-inches in length, carved from the finest wood, sanded smooth and shaped in a manner not dissimilar to a rabbit, the instrument was hollow inside and, when required, filled with angry bees to make it buzz, and then inserted into what we historians refer to as "the vag". Nearly all modern women own a contemporary version of this device, but few know of its origins. The dozy mares…

FROM THRILLS TO FRILLS

With instant pleasure to hand, the Amazons had more time freed up to pursue other endeavours. Plutarch makes reference to a highly successful mercenary business run by Amazons. For a payment, an Amazon warrior could be hired to savagely murder your rival. It seems a traditional technique was employed wherein the warrior would lie in wait, submerged in a nearby pond, holding a string that was attached to a purse of monies on land. When the target picked up the purse, the string would be pulled, thus alerting the Amazon who would then spring forth and hack him to bits. Plutarch refers to this as "Amazon On-line".

But it wasn't all murder! On the flipside, the less psychotic Amazons were busy bettering society all round. For example, previously no civilisation had any way to stop the sun from streaming through their windows and blinding them. However, by simply taking some material, some wood and some hooks, the Amazons not only invented curtains, but for an encore went on to create pelmets, drapes and, ultimately, net curtains for spying on neighbours. Sadly, they lacked any form of taste and, as such, as Virgil later noted: "…their drapes and soft furnishings were rich in kitsch".

Regardless of this inherent lack of style, the Amazons began a roaring trade in curtains, cushions and duvet covers to women the world over. Thus began the all-to-brief golden age of the Amazon civilisation.

FROM HERE TO OBSCURITY

Refusing to rest on the laurels of their soft furnishings success, the Amazons soon moved into other markets. Calling on their knowledge of local flora, the Amazons began production on an ever increasing line of cleansing solutions, paints and powders with which ladies could cover their facial blemishes and beautify themselves.

Flushed with commercial success, it was at this point that cracks began to appear in Amazon society (no pun intended). Despite a late flurry of creativity that, saw them invent cat food, the concept of keeping kittens (in that order), knitting and the vegetarian sausage, the Amazon civilisation was approaching a sudden end.

Having splintered into subsections, the traditional, dungaree-clad Amazons found themselves sharing coffee shops with those that indulged in deeply un-Amazon-like behaviour, such as washing, shaving and wearing pretty dresses. Labelled "lipstick Amazons", they showed no interested in either retail or murder, preferring instead to get drunk on fruit-flavoured alcoholic concoctions and scream "Show us ya cock!" at men in the street, prior to throwing up.

The structure of Amazon society in tatters, the final nail in the coffin was about to be hammered home. So, just what was responsible for ending the reign of the Amazons?

FIN

Well, durh! They were a nation of lesbians, weren't they? There's no next generation with a nation of lezzas! Yep, if you want to a civilisation that's going to go nowhere, staff it solely with homosexualists.

So, in answer to the question: "What did the Amazons do for us?" if you're a bloke, it's fuck all, but there's no denying the sheer myriad of creations they left behind for womankind. So you'd think womankind would stop bloody moaning all the time, wouldn't you? But they don't. And that's why I had the affair, Gladys – it's actually your fault.

So join me next week for The Naked Historian with Nigel Pullman-Carriage, when I'll be asking: "What did Gladys Pullman-Carriage ever do for me?" Ungrateful bitch. ♣

FLOAT MY BOAT

All hands on dick! Vicky's been a nauti(cal) girl...

PHOTOS: PHOTORAMA

Judging by the painting in the background and some of the other nautical decor Vicky's got scattered around her flat, she's got a thing for life on the ocean wave.

"It's true," she told us. "My father was in the Navy and I was always amazed by his tales of life at sea. So as soon as I was old enough I got a job with a shipping company and travelled the world by boat. You hear about sailors having a girl in every port, well, I had a guy in every port and on a couple of occasions some girls too.

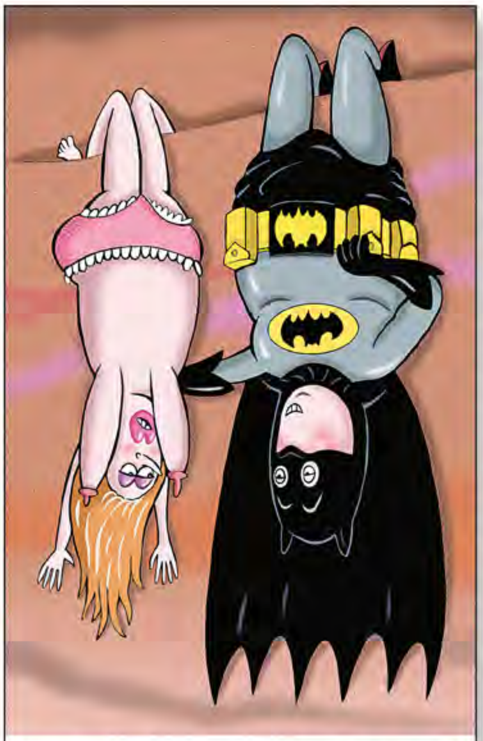
"I've been all around the world and had so many different nationalities I've lost count. I've been spit roast by Spaniards, arse-fucked by Asians and even had a threesome with two gorgeous Brazillian girls – that was an incredible experience."

So we guess British men didn't get a look in then?

"Of course they did. Being at sea for weeks on end meant I had to keep my myself and my fellow crew mates happy somehow!" ♣

YOUR ASTONISHING SUPER-HEROIC FUTURE!

by Someone Who Knows Marvel Comics' STAN LEE



"Do we have to do it Batty style, again."

ARIES

(Mar 21 – Apr 20)

The words of the bloke at your local who recently roared at you: "You spilled my pint, you fucking mutant!" takes on new and ironic meaning this month when you find out from the kindly, wheelchair-bound Dr Xavier that you actually are one. His advice about not scratching your arse when you've retractable seven-inch knives instead of fingernails is sound.

TAURUS

(Apr 21- May 21)

You have had good reason to doubt your sanity of late – and we're not talking about your recent experience of developing arachnid-like powers and junking from your wrists. All that's to be expected: hence the "Amazing" in "Amazing Spiderman". But come on! – obsessing about Kirsten Dunst?????! For pity's sake, man, see a shrink.

GEMINI

(May 22 - June 21)

You're been down lately, owing to the fact that you've no super powers. But fear not: your entire family will shortly be slaughtered by a criminal kingpin's henchmen, and your dead son's T-shirt will inspire you to exact a tremendously involved and very satisfying revenge. Remember: being a super-hero is not always about having fabulous unnatural abilities. If you tool up really bigtime and devise a great plan, any normal human twat with a skull T-shirt and a massacred family to brood about can get the job done.

CANCER

(June 22 – July 23)

Since starring in Resident Evil, you have been turned into an unstoppable and extremely sexy female killing machine, able to perform astonishing feats of agility, hammer the crap out of zombies, and wrestle huge clumpy monsters. So why the pissed-off attitude with the evil scientists responsible for enhancing you? Would you really rather some thug could kick your shin and steal your handbag? Get real, you moaner.

LEO

(July 24 – Aug 23)

A trip into space may go badly wrong this month when your craft is bombarded by mysterious cosmic rays which alter the DNA of you and your mates – turning one of you into a huge orange monster built like a brick shithouse. Try not to dwell on the negative aspects of these improbable changes, such as the difficulty in locating your girlfriend's tits and fanny when she turns invisible, or her cunty brother bursting into flames every time you try to get into her panties. After all, being made of rubber can be a real boon, especially if you fancy slipping her a length round a corner, so her hot-headed bro won't notice!

VIRGO

(Aug 24 – Sept 23)

Well, it's happened at last and you can't say you weren't warned. Excessive masturbation has made you blind. But don't despair. Developing a bat-like radar sense and superhuman agility will soon make up for almost all that you have lost – the big exception being that your cock will look like a blip next time you stroke it and your hand like a pale green radar sweep.

LIBRA

(Sept 24-Oct 23)

The month may seem to get off to a bad start when your parents are murdered, but don't be dismayed – 20 years down the road it'll be you, not their killer, who'll be laughing. Oh sure you'll be emotionally tortured and all that shit, but on the plus side, if you're into such things, you'll have Michael Caine to tuck you in at night with a few wooden words of mundane Cockney "wisdom".

SCORPIO

(Oct 24 – Nov 22)

A series of pointless experiments you have been working on for donkeys' years may go hopelessly pear-shaped this month, transforming you into a mindlessly destructive and inhumanly powerful version of the Jolly Green Giant at the drop of a hat. Ask your doctor to prescribe a course of diazepam and book a place at an anger management course. Tearing helicopters out of the sky and smashing up US Military bases helps nobody, least of all you.

A GROSSARY OF SEXUAL TERMINOLOGY...

Some sex terminology and erotic practices with which one or two of our readers may not already be familiar. Drop one or two of these terms in at you're next job interview, and you're sure to bag the position of your dreams...

JUNK MAIL
Jiffy-bagged spuzz posted to young women as a sign that they have secret admirers. Most usually ones the police are already looking for.

HORIZONTAL FANNY-FLAPS
Term of abuse often employed to describe the facial lips of someone talking vaginal fluid.

SPADGER BAITING
Recently criminalised but still fairly common practice involving digging small plastic seaside shovels into country girl's fannies in order to arouse them.

RUMP ALTERATION SCYTHE
New and terrifyingly dangerous North Korean contraption increasingly used by mentally unstable females to take unsightly inches off their butts without recourse to exercise or liposuction.

SAGITTARIUS

(Nov 23 – Dec 21)

Ever since you first gained the supernormal ability to move at speeds infinitely faster than the eye can follow, donned your costume and became celebrated as "The Flash", your sex life has gone right down the sink, with every girl you date chucking you suddenly after just the one fuck. But it's not too late to change your luck in love: try using very, very, very much slower thrusts until you can make intercourse last more than two seconds.

CAPRICORN

(Dec 22-Jan20)

You've been sleeping badly of late, haunted by nightmare memories of your last-minute childhood escape from Krypton just before it exploded. Then there was that close call with the sexy bint from the bar the other night with the Kryptonite clit. Jolly good thing your X-ray vision allows you to see through women's smalls. What you need is some luxurious, relaxing loving from a professional, properly vetted escort service. Next time you're changing in a phone booth, do yourself a favour and stop for a moment to check out the ads.

AQUARIUS

(Jan 21 - Feb 19)

Since your face got burnt off and you became the elusive, vengeful Darkman, borrowing other's identities in order to punish the wicked, you've increasingly yearned to discover the real you. Though therapy may well be helpful in the short term, it's probably quicker to face facts and confront the reality that, as superheroes go, you're just about the most shit one around.

PISCES

(Feb 20 – Mar 20)

Lately, even though your gobsmacking abilities to conjure up atmospheric disturbances and direct bolts of lightning have proved invaluable to your colleagues, you may have begun to feel out of place amongst your fellow X-Men. That's probably because Storm was never in the X-Men in the first place.

Got a problem you're too embarrassed to share with your mates? Then why not share it with the nation instead by writing in to Club's very own Agony Aunt/sex-crazed porn star wannabee, ASPEN MARTIN?

Ask Aspen!

MY SECRET SHAME AT TABOO LOVE

Dear Aspen,

I've always got on really well with my older brother – we've always spent a lot of time joshing around and playing together since we were small, but ever since I turned 18 things have developed a bit, and I'm worried that it's all starting to get out of hand.

It all came to a head last week, when we had a couple of friends round, and he asked if we fancied playing a little game. When we all said yes he produced this board game that involved describing words on little cards, but without using five other words or phrases while doing so. Well, I really enjoyed the game – me and my brother won quite easily, in fact – and now I want to play it with him again. However, my friends tell me these feelings are wrong, pointing out that the game's just a rip-off of an old TV programme called *The Pyramid Game*. What should I do?

Katie, Rotherham.

ASPEN SAYS!

Dear Katie,

Your friends are right, I'm afraid – this sort of thing is quite wrong and, if left unchecked, will almost certainly destroy your family. This game is deemed Taboo for a reason, and should only be played with people who are not blood relations – as in fact should every other board game. If you really want to play with your brother without stirring up any inappropriate feelings, I would suggest something safer, like Strip Poker or Spin the Bottle…

I DON'T WANT TO HURT HER FEELINGS BUT SHE'S TOO FUCKING FAT

Dear Aspen,

I've always preferred Big Beautiful Women, but since we were married – and it upsets me to say it – my wife Deirdre has piled on so much beef that three years into our marriage she looks more like Jabba The Hutt in a stretched-to-fuck housecoat than the jovial chubber I married. Even so, she doesn't turn me off or anything – that's not the problem. It's her fanny-flaps. Her labia now weigh a ton and I just don't have the strength to prise them open.

Because we don't fuck, she feels neglected – which results in her eating more – but how can I possibly explain to her that I need help to open her up before I can possibly get in at her. She'd freak if I asked a mate round.

BBW Lover, Somewhere, Not telling

ASPEN SAYS!

Dear BBW Lover,

At last: a sensible question. BBW-Lover, relax – your problem is far more common than you obviously imagine, and the solution is so simple you will kick yourself when I tell you. At least I hope you, or someone else, will.

Get thou hither to your local sex shop and buy yourself some leg-spreaders. These will jack her box open for you without your having to enlist the muscle-power of outside parties and she will not be embarrassed if you wear a rubber gimp mask (also readily available at your local sex shop) and pass the whole exercise off as an experiment in BDSM.

Do let me know how you get on. Plus some photographs would be appreciated.

Yours, Aspen x

Stick to something safe, like Strip Poker!

GLAZIN' SADDLES

A reader wanted to see Natasha wearing glasses. But is this what they meant?

PHOTOS: KEVIN MAKLIN

As one of *Club*'s most requested babes we thought it would be rude if we didn't feature the delightful Natasha in due course, so here she is! Every time we catch up with her she's full of filthy stories about all of her sex-ploits, but what we really wanted to know was what she likes most about being a porn model?

"The freebies! Every day I get a parcel in the post and it's usually a new range of sexy underwear, or even better, sex toys. I can't remember the last time I had to buy any knickers or dildos for myself. Seriously, I could probably open up my own shop with all the saucy gear I've been given. Although there are some items I would never get rid of – like my favourite dildo. It's made out of glass and is nice and thick. It's much bigger than any real cock I've had, so I always have wild fantasies when I use it. I imagine I'm being fucked and I'm telling the man that it's the biggest I've ever had, and I want it deeper and so he fucks me hard. But if you think that fantasy is wild, it's nowhere near as wild as the orgasms I have with that dildo!" ♣

The Streets

The Hardest Way To Make An Easy Living (Warners)

What a lad! Skinsy's got more stories than your Momma did at bedtime. The cheeky little whipper snapper's only been roughin' up a young lady pop star the night before her *CD:UK* appearance with a bit of the old slap and tickle and a little bag of tricks from your mate Dave. Who do you reckon it was? Michelle McManus? Unlikely I'm afraid. On top of all that, young Michael's been spinning a Ferrari around Vegas minus a driving licence and gambling shit loads of moullah down the swanny. He should start doing those after dinner speeches. Good work.

Morrissey

Ringleader of the Tormentors (Sanctuary)

What is the world coming to? Old Mozza's bangin' out songs about bangin' girls in their fannies! On Dear God, Please Help Me, the man who used to sing about fat birds now roars, "There are explosive kegs between my legs," and "Now I'm spreading your legs, with mine in between." I bet he reads *Club*.

Daft Punk

Musique: Volume 1: 1993 – 2005 (Virgin)

Now don't get me wrong, Daft Punk are bloody marvellous but this compilation of all their singles and videos is a bag of wank. If, for whatever reason, you don't own any Daft Punk material, then invest your pennies in their first two albums, Homework and Discovery because their third album isn't all that. Three of their best tracks, Phoenix, High Life, and Digital Love aren't included here and the three remixes that are don't exactly warrant spending thirteen quid

Red Hot Chili Peppers

Stadium Arcadium (Warners)

Fair play to the Chili Peppers – on record, they never make a pig's ear of things and this time you get two CDs for your cash. Dani California will dynamite the dance floors with Flea's basslines providing the TNT and the whole album is perfect for girls who like rough sex. With a full UK tour coming up in July, make sure you find one of these lovely ladies and give her a treat.

Snow Patrol

Eyes Open (Polydor)

Back in the Jeepster records days, Snow Patrol only ever got their music across to 'on the ball' indie kids but now everybody currently in a sexual relationship will be shoving this in their shopping trolleys down at the local ASDA. Eyes open? She'll definitley have her legs open. *(What?! – Ed.)*

ROUGH SEX RECORDS?

Adam Green used to be in The Moldy Peaches and recently supported The Strokes on tour, during which he contacted the Stereo of Filth & Love and told us all about his deviative tendencies...

Have you ever smacked someone in the face?

I punched a stripper once for giving me a bad lap-dance. She barely touched me.

Er, right. Have you ever taken a good kicking yourself?

One time, a hooker bit my cock because I was taking too long.

Cheeky young lady. Tell us about a time when you made a complete and utter fuck up.

I fuck up when they tell me to be serious. I fell down the stairs once before a concert and knocked out my tooth. I thought that pornography was a serious subject?

Depends on what kind of pornography it is. What are you into?

For me, the best pornography is MILF fisting or vintage bukkake.

Nice! Ever been caught messing with yourself?

Yeah, I once got caught wanking to a workout video when I thought that my Mom was upstairs. And she once found my Pocket Pussy too.

Unlucky sunshine. Have you got any UK dogging advice to share with our readers?

The best spot for dogging is the second car park at Whitley Bay lighthouse every second Tuesday.

See you there! Where is the funniest place you've shagged a young lady?

Under a billiards table while her parents were looking for us.

Good work. Did you ever get caught using public transport without a valid ticket?

One time I got caught jumping the subway turnstile with Devendra Banhart (check out www.cripplecrow.com). We were both arrested, but only he had to go to jail.

Tell us some interesting travelling stories?

Well, the best experience I ever had in Europe was when I was shagging groupies. And I was just detained at Heathrow airport for lack of a work permit. They were gonna give me a one-way ticket to Palookaville, but I got saved at the last minute.

Any bother with the police?

I always get tickets for drinking in public. In New York it is illegal to have a beer on the sidewalk. I got three tickets and I almost missed a tour because I had to appear in court.

Have you ever seen any acts of sporting violence?

I dont watch sports, I like to watch porno instead.

You're a deviant! What did you do to put bread on the table back in the early days?

I dispensed quarters at a video arcade and I worked as a busboy at a pizza parlour. Also at a used-clothing store and as a dishwasher.

And do you ever read *Club International*?

Club International is a standard fixture in every touring vehicle that I've travelled in.

Legend. ♣

***Jacket Full of Danger** is out now on Rough Trade Records. Listen to it whilst you're downloading MILF fisting and vintage bukkake.*

HENI PECKED

She's got the gift of the gob, although it's not talking that's her forte...

PHOTOS: DARREN McCORMACK

On first impressions Heni comes across as the easily malleable type, eager to please, speaks only when spoken to, that sort of thing. But watch out, it seems the minute she clamps her laughing gear around your landing gear, there's a new boss in town.

"I have a way of making men do anything I say," she chirped. "All it takes is a bit of oral persuasion. It's amazing how much power you can wield when you've got a cock in your mouth.

"I know there are a lot of girls out there who suck dicks to get what they want but I've managed to acquire quite a lot using my particular blow-job technique. I've got expensive meals, clothes, jewellery – you name it, I've sucked dick for it. I even convinced an ex to take me to the Maldives when he had originally intended to take me to Cornwall for the weekend!"

Come on then, we're sure we could do something to further your modelling career. How about a little...?

"Erm, no, you're alright, thanks!" ♣

THE JOKE'S ON YOU!

Comedy, it's a tough old game, eh? But what would we know, we're pornographers…

WHAT A PAIR

An ugly woman walks into a shop with her two kids.

The shopkeeper asks: "Are they twins?"

The woman says: "No, he's nine and she's seven. Why? Do you think they look alike?"

"No", he replies. "I just can't believe you got laid twice."

YOU MUST BE POKIN'

A group of students studying to become doctors were receiving their very first anatomy class with a real dead human body. They all gathered around the surgery table with the body covered with a white sheet.

The professor started the class by telling them, "In medicine, it is necessary to have two important qualities as a doctor: The first is that you must not be disgusted by anything involving the human body."

As an example, the professor pulled back the sheet, stuck his finger up the arse of the corpse, withdrew it and stuck it in his mouth.

"Go ahead and do the same thing," he told his students.

The students freaked out, hesitated for several minutes, but eventually took turns sticking a finger up the arse of the dead body and then sucking on it.

When everyone finished, the professor looked at them and told them, "The second most important quality is observation. I stuck in my middle finger but sucked on my index finger. Now learn to pay attention."

Jon, Newbury

TOOTH TRUTH

A guy and a girl get talking in a night club. They get along so well that they decide to go back to the girl's place. Once there, they start to get intimate.

A few drinks later, the guy takes off his shirt and then goes to the sink and washes his hands. He then takes off his trousers and goes to the sink to wash his hands again.

The girl watching him do this says, "You must be a dentist."

The guy, surprised, says, "Yes, how did you figure that out?"

"Easy," she replied, "you keep washing your hands."

One thing led to another and they make love. After they are done, the girl says, "You must be a really good dentist."

The guy, now with a boosted ego says, "Sure, I'm a really good dentist, how did you figure that out?"

"Because I didn't feel a thing," she said.

Andy, Cambs.

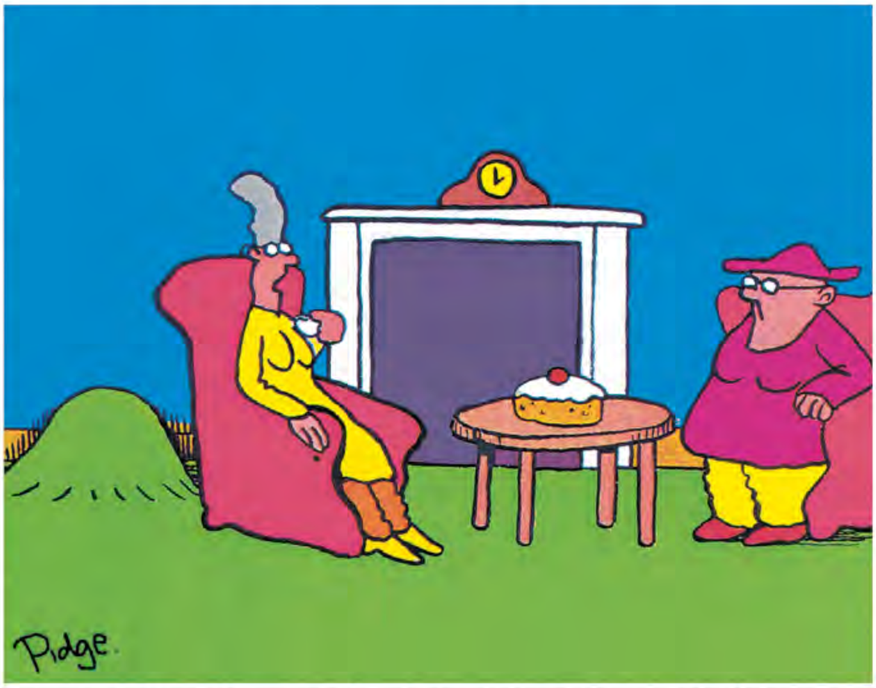
OLD & STIFF

An old lady makes a visit to doctor and asks him for some Viagra for her husband.

The doctor, a little startled given her and her husband's age, says, "It comes in three strengths; there's 25% - semi hard, 50% - very hard and 100% - rock solid. Which would you like?"

The old lady says, "25% will do, it's only to stop him pissing on his slippers!"

Sean, Exeter ♣



" ... though why he wanted to be buried next to me I don't know "

PRIZE JOKE!

BEAR BALLS UP

There is a factory that makes the Tickle Me Teddy Bear toy. The toy laughs when you tickle it under the arm.

A new employee, a blonde woman, is hired at the Tickle Me Teddy Bear factory and she reports for her very first day.

The next morning there is a knock at the Personnel Manager's door. The Foreman from the assembly line enters and begins to rant about the new employee. He complains that she is incredibly slow and the whole line is backing up, putting the entire production line behind schedule.

The Personnel Manager decides he should see this for himself so the two men march down to the factory floor. When they get there the line is so backed up that there are Tickle Me Teddy Bears all over the factory floor and they're really beginning to pile up. At the end of the line stands the new employee surrounded by mountains of Tickle Me Teddy Bears. Next to her she has a roll of furry fabric and a huge bag of small marbles.

The two men watch in amazement as she cuts a little piece of fabric, wraps it around two marbles and then begins to very carefully sew the little package between the Teddy Bear's legs.

The Personnel Manager bursts into laughter. After several minutes of hysterics he pulls himself together and approaches the woman.

"I'm really sorry," he says to her, barely able to keep a straight face, "but I think you misunderstood the instructions I gave you yesterday. Your job is to give the Teddy Bear two test tickles."

THE LIGHT STUFF

Steph conjures up pictures in the mind that just won't go away!

PHOTOS: PHOTORAMA

Despite looking a tad classy, when Steph has sex she's not actually too fussy, she's the type of person that'll do it anywhere, anytime and, more importantly, with anyone. However, she does ask one thing of her sexual partner and that's to not turn the lights off when they're at it. Now we assumed this to be for some deep dark psychological reason inappropriate for discussion in a wank mag so we steered clear of the subject, until Steph told us the truth.

"I don't want the lights turned out because I want whoever is fucking me to see how lucky they are. I know I've been blessed with good looks and an awesome body so when I'm riding a guy's cock I want him to see it! And most of all I want him to remember how good I look so that when he's fucking someone else he can't get the image of me out of his head."

Well, we certainly won't forget you in a hurry! ♣

READER'S GIRLFRIEND

Reckon your better half could be one of our best? Then get her to send a picture of herself, along with her name, address and a contact telephone number, to Readers' Girls, Club, 2 Archer Street. London W1D 7AW. If she fits the bill she'll get a top photo shoot and a **£200** cheque, too!

PERSONAL DETAILS

NAME: Pauline
AGE: 19
VITAL STATISTICS: 34-24-34
WHAT'S SHE LIKE? She looks cute but don't let that fool you because she's filthy!

WHY DID YOU WANT TO BE IN CLUB?
My best friend has appeared in some of the lads' mags but I wanted to go one better than her. She's not going to believe it when she sees these pictures but I'm sure she'll really enjoy them!

JUST HOW FRIENDLY ARE YOU?
If you're asking if we've ever had sex with each other, then yes we have. She's my one and only lezzie lover.

DOESN'T YOUR BOYFRIEND MIND?
Not at all, for the simple fact that he's usually in the bed with us! He'd been going on at me for ages about wanting a threesome with me and my mate so when it was his birthday he came home to find us ready and waiting for him. Getting fucked from behind while eating my best friend's pussy was one of the most exciting sexual experiences I've ever had, and my boyfriend certainly enjoyed it judging by the amount of times he shot his load inside and all over us.

LUCKY GUY. SO DO YOU SWALLOW?
Oh, yes! I always love sucking him off until he shoots in my mouth and then I swallow the whole lot, but that threesome was even better as I got to lick my boyfriend's spunk out of my friend's pussy.

ANY MESSAGE FOR OUR READERS?
I just hope they all enjoy wanking over my naughty pictures and maybe one day there'll be more for them to see! ♣

She Bangs

(Red Light District) ★★★★

Don't panic, this isn't an 'imagining' of Ricky Martin's dismal hit of a few years back, rather it's a pretty neatly made scruff flick hailing from James Avalon at Red Light District. Sunny Lane stars as lady cop who goes undercover at a porn shoot. Can you guess what happens? No, there aren't any jokes about 'cunt-stubble', but there is plenty of hard balling! She's trying to nail sleazy pornographers, but ends up getting pretty well nailed herself. Pretty rude sex, good production and a reasonable script - not bad at all!

Brittney Skye Exposed

(Ninn Worx) ★★★

Brittney Skye sports the classic Jenna Jameson-inspired American porn bird look – long blond hair, suspiciously big tits, and a nice hard body. Unlike Jenna, though, she's not too famous to still put her mouth where the money is, and take a good dose of dick on film. Michael Ninn may be a bit on the arty side with some of his touches and editing styles, but there's plenty of mucky sex here, and some very nicely shot close-ups of our heroine in action. You'll want to skip the girly chatter (with Audrey Hollander), but the scruff's worth a look…

Teens Cumming of Age 4

(Platinum X) ★★★

And so, just like any government that's run out of decent ideas, we go 'back to basics', with this no nonsense gonzo offering featuring five fresh faces getting covered with fresh cream. First up is Dana, who's got a lovely puffy spadger and looks right at home pleasing a couple of cocks. She even goes in for a spot of anal, which is pretty good for a cumming of age feature. Russian born covergirl Maya's next, and she employs her cock-sucking lips to perfection before settling down to an eye-catching fuck. Three more follow, including dusky beauty Yazmene Fine, making this a solid enough offering.

Stoned

(Sony) ★★★★

The story of original leader Brian Jones's ousting from The Rolling Stones and subsequent decline is well enough known, so it's perhaps surprising that this film, detailing his downfall, has only just been made. It took a full 35 years after Jones's somewhat mysterious death before this dramatisation hit the big screens, but it's still an intriguing watch. A top performance by Leo Gregory as Jones drives the film along, and it's clearly touched a few sore spots – the soundtrack features not a single Rolling Stones performance. Hmm.

American Soldiers: A Day In Iraq

(Momentum) ★★★

After three-plus years, there must be quite a few American (not to mention British!) soldiers who wish it was just "A day in Iraq" – although probably not this particular one. It's 2004 and an American unit spends its day facing one ambush after another, as a faceless and nameless enemy plots their destruction at every turn. Considering that the American government didn't even want the return home of dead troops to be reported, perhaps this is a brave film in that the Americans suffer heavy losses. Not too jingoistic, either, so all in all, probably not George Dubya's favourite movie…

Merlin's Apprentice

(RHI Entertainment) ★★

Xena, Hercules… network television seems strangely keen on mini-series based on myth (erm, was there ever a myth about Xena?), and now it's Camelot's turn. Although as it happens, this is actually a sequel to the original 1998 series, and again it stars Sam Neill as a rather youthful Merlin. The first series garnered quite a bit of praise, and an Emmy nomination for Neill, but it all looks a bit daft from where we're sitting. Miranda Richardson (again) co-stars, and while sci-fi and sorcery types might go for it, it's hard to imagine who else will.

Come And See

(Nouveaux Pictures) ★★★★★

There's never been a shortage of war films to choose from, but once in a while one comes along that puts your typical Hollywood effort into perspective. This Russian film was made in 1985 when the communist regime was still in place, and is set in Belarus during World War II. Following the (mis)fortunes of young Florya (an amazing performance from Alexei Kravchenko) as the Nazis invade and engage in some barbaric 'ethnic cleansing', this unrelenting film will leave you stunned.

Perdita Durango

(Metrodome) ★★★★

This 1997 flick might have passed you by at the time, but it's worth checking out – especially now it's been re-issued totally uncut. Starring Oscar nominees Rosie Perez and Javier Bardem, it's a road movie/crime caper set round the US/Mexican border, and plays like something Quentin Tarantino might have made if he'd been brought up on mescaline rather than cheeseburgers. It's unapologetically full-on from the start, and features smart turns from top Soprano James Gandolfini and Screamin' Jay Hawkins. Try it!

Chained Heat

(Anchor Bay) ★★

Series like *Bad Girls* show that the idea of women in the clink has a certain appeal, so it was only a matter of time before these 80s flicks got the DVD treatment. If Jess Franco had been an American, these are exactly the sort of film you'd end up with… exploitation, lesbianism and semi-titillating nudity bolted on to infeasible plots with daft hair. *The Exorcist*'s Linda Blair stars in *Chained Heat*, set in a prison packed full of dodgy inmates and wardens, as well as in *Red Heat*, while the daft *Jungle Warriors* brings up the rear. Utter nonsense, but fun nonetheless…

The Producers

(Sony) ★★★★

Good heavens, a film of a show of another film?! Mel Brooks certainly can't be accused of wasting a good idea, but to be fair, *The Producers* was always too good an idea to risk wasting. The original movie, with Gene Wilder and Zero Mostel, is a classic, but perhaps it was inevitable that the smash Broadway show would result in another movie sooner or later. More songs, a top cast (in Nathan Lane, Matthew Broderick, Will Ferrell and Uma Thurman) make this a worthy companion piece to the 1968 version.

Flesh For Frankenstein/ Blood For Dracula

(Metro Tartan) ★★

Sooner or later somebody will decide there are enough films about these two knocking about, and they'll almost certainly be right. These two hail from the early 70s, when former Andy Warhol cohort Paul Morrissey thought he'd try his hand at the horror genre. The results are all a bit sub-Hammer, with a bit more tit and necrophilia thrown in. That said, *Blood For Dracula* in particular features a few flashes of wit, which might make it worth viewing for horror completists.

STUDY STUD

I'm at University in Glasgow but I'm getting really bored of it. The only reason I still go to the damn place is to lust over all the girls who sashay around campus with their tight arses filling their little skirts and their breasts bobbing as they walk briskly from lecture to lecture. My girlfriend is studying too, but she's living in Manchester. So it's the old story; I was horny and she was miles away and when an opportunity presented itself recently, I couldn't resist!

I was sitting in the main quad in the centre of the old university building when I saw a girl who reminded me of my girlfriend. She was small, slim and pretty. Blonde hair in a bob, full lips and a glint in her eye. Her tits were amazing; perky, bouncy C-cups which seemed to have a life of their own. She was like a walking wet dream. She noticed me watching and made eye contact until I had to look away. When I glanced back, she had a mischievous little smile on her face.

Days passed and I forgot about this encounter until one day in the library. I was sitting at the window in a study area with my course books piled up on the table in front of me and my nose buried in a music magazine when I heard a voice: "The definition of English Lit gets broader every day".

> *"I rammed my cock inside her and felt my balls tighten"*

I looked up and there she was, the blonde from the other day. She had a lilting Irish accent. She was wearing long leather boots, a cropped t-shirt and a skimpy little skirt. From where I was sitting I could almost see the tops of her stockings. I put my mag down.

"I'm just taking a study break. I'm bored of coursework"

"Me too," she smiled and looked around, "want to do something more interesting?"

She sat on my desk and crossed her legs. Her skirt rode up and I could clearly see her stocking tops. I looked around, the place was deserted, "Like what?"

She didn't answer, just raised her eyebrows and put her finger in her mouth. I grinned.

"Do you have a girlfriend?" She asked, still toying with her full lips.

"Um, yes, but she lives in Manchester."

At this she slid off the desk and put one hand on my now rock-hard cock, "When's the last time you fucked her?"

"Not for two weeks," I moaned.

She knelt down in front of me and undid my jeans. I looked around.

"Relax, there's no-one here."

She pushed my jeans down and I lifted myself off the seat to help. I am a gentleman after all. She grabbed my cock and rubbed it with one hand, she licked her lips, "This is a better way to get over your study fatigue," and with one movement, she lowered her head on my cock until it was all the way down the back of her throat.

She was good. I leant back and breathed out, reaching out to play with her tits though her tiny t-shirt. I could feel that she wasn't wearing a bra. She moaned and the vibrations made me thrust at her mouth. She deep throated me until I was sure I would explode in her tight hot mouth, then she stopped. "Should we be doing this?"

"Yes," I panicked, "Yes we should, it feels so fucking good."

"It does. I do like the taste of your cock," she gave it a lick. It twitched. "Besides, it's not really cheating if you don't fuck me."

"That's true," I said, not thinking it through or caring. I just wanted her to keep sucking me.

She started again, this time her other hand was playing with her pussy. "You don't mind do you?" She asked looking up at me with those mischievous, pleading eyes.

I shook my head and grabbed at her perky tits. As she rubbed her cunt I could see that she wasn't wearing any knickers. I grabbed her by the shoulders, pulled her up towards my face and kissed her, she kissed back hard and I could taste myself on her tongue.

"I want to fuck you. I want to feel

your cunt."

She faked a shocked look. "What about your girlfriend?"

"Fuck my girlfriend."

"Maybe next time," she grinned, sat on the desk, grabbed my cock and pulled it towards her wet, shaven Irish cunt.

She spread her legs and put a finger in her mouth, "You're going to have to hurry. I cum really quickly after I've been playing with myself."

At a loss for words, I nodded and thrust hard into her wet, tight cunt. Even though she was soaking wet I could feel everything. She had the tightest cunt I had ever been in, and straight away it was grinding itself against my cock. She gasped, "Mmm, fuck me."

I thrust faster and felt the pressure in my balls. My cock felt huge as I watched her pert tits bouncing under her t-shirt. I grabbed at them with one hand, the other on her thigh where the leather boots met her flesh. I wasn't going to be able to hold it much longer. She looked at me and grinned.

"The end of her tongue found my clit and she sucked on it"

"I want you to cum in me," she said between gasps. I didn't need telling twice, I rammed my cock inside her and felt my balls tighten. She pulled herself up to my ear and whispered, "Fuck me. Fill my tight little cunt with your cum. Do it".

I let go and felt my cock pumping spurt after spurt of cum into her body. With every thrust she moaned more and pushed her tits against me, licking my mouth and telling me how much she loved it.

After we recovered and I'd buttoned my jeans, I said, "I don't even know your name."

She grinned that mischievous smile and said, "I'm the pretty Irish girl you fucked in the library", then flounced off. I never spoke to her again, but I used to see her in the corridors of the University and we'd exchange knowing looks. After I graduate I'm thinking of going to Ireland to do my PHD. – *Graham, Glasgow*

WHAT FRIENDS ARE FOR

Let me start by telling you a little about myself. My name is Jessica. I am 23 years old, five feet nine inches tall with long blonde hair down to my shoulders. I boast a nice, pert pair of tits and a slim, healthy figure. Last weekend after a night out on the piss I did something I never dreamt I'd ever do, and it still has me dripping wet when I think about it.

It had been a fairly ordinary Saturday night out with the girls. Most of us are single and we had spent the night drinking, dancing and eyeing up the local talent around town and as usual a few of us pulled and those who didn't, including myself, wandered off about 2am. I grabbed a taxi back with my best mate Donna, and not for the first time I ended back at hers for a good old chinwag and a nightcap.

Before long, and as usual, the subject turned to sex and we sat in her kitchen discussing all sorts of experiences and fantasies. All this talk was getting me very wet and horny, not to mention disappointed I hadn't scored earlier and I couldn't wait to get home and play with my favourite toy. A huge 12-inch vibrator I kept tucked away under my bed.

Donna was talking about one of her favourite fantasies, being licked out by another woman. I have always loved a good old-fashioned cock inside me and it was never something I had even considered, but after a night's drinking, all this talk was making me increasingly aroused. Perhaps sensing my growing excitement Donna got up from her chair and stood right behind me, gently massaging my shoulders, whilst continuing to tell me her wildest dream. I could feel her hot breath on the back of my neck, and it was sending cold shivers of excitement down my spine. I suddenly sensed that Donna had stopped talking and before I could turn around I felt her lips on my ear. She started to kiss and nibble my ear and neck and I immediately let out a moan of desire. I was so horny I would have let her do anything she wanted to me there and then.

"Come with me," she whispered and I followed her upstairs to her bedroom as if in a trance.

Once inside her room, she ran her fingers through my hair and kissed me gently on the lips, her tongue flicking out against mine. I opened my mouth slightly and her tongue darted in as she kissed me more passionately. Her hands moved down my body, caressing my breasts through my shirt. My nipples immediately sprang erect and rubbed against my bra, my pussy was dripping with love juice and I longed for her to touch me. I wasn't disappointed. She pushed me gently back onto the bed and knelt between my legs. She kissed me slowly as she worked her way up my thighs, pushing my skirt higher, her fingers slipped through the waistband of my little, white panties and she pulled them down, past my knees and slipped them off over my shoes. She licked the insides of my thighs until she was so close to my love hole I could feel her hot breath on my golden bush. Then her tongue flicked out and slid over my lips. I gasped with a mixture of surprise and delight.

She teased me briefly, perhaps gauging my reaction before running her thin, pointed tongue the whole length of my sopping snatch. The end of her tongue found my clit and she sucked on it hungrily until I cried out with pleasure. She was so gentle with me, but that just made me come all the more quickly. I felt an orgasm rise in my belly and then

spread warmly over me. I shuddered with lust as it rattled through my body. I could feel my pussy getting juicier and juicier and Donna simply lapped it all up and gulped it greedily down. She stopped and looked at me.

"Don't move, I have something for you," she whispered, my own cunt cream glistening on her lips and chin. She walked over to her knicker draw and pulled out a slim but incredibly long vibrator. She smiled at me wickedly as she came back over to the bed, the giant cock in her left hand.

"And now for something I know you fantasise about!" She purred. When she got to the bed, she rolled me onto my front and manoeuvred me onto all fours. The huge dong nuzzled against my pussy and she slowly eased it into me until I gasped at how deep it went. She began to rhythmically pump it in and out of my hole, forcing it deeper and deeper into me. As she did this she started to kiss the tops of my legs and my arse cheeks. Suddenly I felt the tip of her tongue probe my anus. The sensation was delicious. She licked all around my arsehole until I was quivering with desire. I had often told Donna about my fantasy of being fucked up the arse, and I knew what was coming, but she was determined to make me wait until I could stand it no longer.

A mixture of desire and alcohol helped me relax as her tongue lubricated and tickled my puckered hole. Then she withdrew the dildo from my pussy and pressed it slowly against my bum. As with everything she had done, she was gentle but purposeful and I soon felt the head of the vibrator ease past my sphincter, soon followed by what felt like about 18-inches of greasy latex. I shrieked and panted with sheer, filthy desire as she shafted my bum hole with the plastic cock. My arse muscles closed around the intruder and I could feel every ridge, bump and vein along its shaft. She reached between my legs and ran a couple of fingers along my pussy lips until she found my button and she rubbed it gently in time with the thrusting of the cock in my arse.

I could feel an enormous orgasm rise inside me. I bucked against the vibrator in my arse driving it even deeper inside me. I started to shudder and shake as my orgasm got nearer and nearer. I was moaning and crying out louder and louder. Then it hit me, like a double decker bus. The largest, most intense orgasm I had ever experienced. Donna pushed the cock into me whilst furiously rubbing my clit. I could feel my love juices practically pouring from my pussy and dripping onto the bed. My whole body glistened with sweat and I collapsed, shaking, in a huge, exhausted heap. As I rolled over onto my back to catch my breath, Donna knelt over me and kissed me on the lips, her tongue probing my mouth, coating me with my own juices. It was several more hours before I actually managed to get some sleep but perhaps I will tell you about that next time! – *Natalie, Poole*

RIDE ON THE DARK SIDE

Last Friday after work, I picked up a copy of *Club* and was heading home on the bus. At one of the stops, an absolutely gorgeous, light-skinned black woman got on. She was clad in a tight, red, mid-thigh length dress with thin straps that were struggling to contain a big pair of tits. Her long, hot legs were accentuated with a pair of red high-heeled shoes. I could not believe my luck when she came and sat down opposite me.

When she crossed her legs, the dress slid up and gave me a great view of her luscious legs. I was trying not to be obvious, but I couldn't keep my eyes from wandering. She caught me once, but she just smiled and kept reading her magazine. Then I opened my briefcase, forgetting that the issue of *Club* was on top. Even though I closed it quickly, she leaned over and whispered, "I guess you're going home to wank off."

Before I could say anything in my defence, she added, "My stop is coming up soon. If you have the kind of balls I'm interested in, you'll get off too."

Minutes later we were in her flat. I sat down in the living room and watched her wriggle out of her dress. I could not believe my eyes. She was standing then in a red see-through bra, a pair of matching knickers and her hot shoes.

"Think you can handle this?" She gushed.

"I spread her arse wide and rammed my tongue in her snatch, she soaked my face"

I stood up, dropped my trousers and watched her eyes light up with delight as my eight-inch cock and well-hung balls swung free. She smiled and said, "Wow! It looks like you should be asking me if I think I can handle that big dick."

With that she turned and headed for the bedroom. With my eyes glued to her meaty black arse, she glanced over and shoulder and teased, "Come and get it baby!"

She was on the bed on her hands and knees and demanded, "peel off

my knickers and then start kissing my arse."

I willingly followed the orders and started planting wet kisses all over her gorgeous bum. I zeroed in on her puckered arsehole and gave it a good rim job, then slid down over the crack to her partially shaved pussy. As I began to suck on her clit, she let out a moan, "Mmm, that's the spot. Yeah, suck my cunt, babe! Get me nice and wet for that big, stiff prick of yours."

I gave her snatch a right royal sucking until she shouted, "I want to suck your cock."

I slid underneath, so I could keep sucking her cunt, but now my fully erect rod was right in her face. She grabbed it at the base, and panted, "Oh yeah, look at this big fucking cock. And it's all mine."

She started out slow, but after a minute or so, she was slobbering over the entire length of my shaft. Her pussy lips were quivering and I knew she was close. Then she announced, "I'm going to come. Yeah, I'm going to come all over your face with your big, fat dick in my mouth."

She stuffed my prick back in her mouth, right down to my balls, and as I spread her arse wide and rammed my tongue in her snatch, she soaked my face, just like she promised. She then asked me if I was ready to shoot my load down her throat. When I told her that I wanted to fuck her first, she told me to go sit in the chair by the bed.

She paraded over to me and as my eyes locked in on her gorgeous pointed nipples sticking out through her see-through bra, she glanced down at my swollen, throbbing cock and panted, "I'm going to sit on your prick."

She turned around, spread her legs, bent over and lowered her dripping black pussy on to my shaft. She took in the entire eight inches and then slowly started to slide up and down on it. As she rode my prick, she asked, "Is that what you want, baby? Does that big stiff cock feel good buried in my wet black cunt?"

There was a mirror in front of us and I could see her big black tits bouncing around. She was watching and added, "that's it, baby! Look at my hot fucking tits while you're banging my cunt."

Then she teased, "You want to fuck these tits? Huh? You want to wrap these big black boobs around that prick?"

I unhooked her bra and as it fell to the floor, her gorgeous tits fell free. Now she was really hot and gushed, "I came on your face, now I'm going to come on your dick."

She picked up the pace and rode me like a wild bronco until she shouted, "I'm coming, baby! Yeah, I'm coming all over your big dick!"

Finally, she dropped to her knees, spread my legs and stuffed my cock between her tits. She looked up at me and said, "There's nothing hotter than a pair of spunk-filled balls and a pussy soaked cock."

As I banged her horny black tits, my prick kept sliding up towards her face. When I asked if she still wanted me to blow my load down her throat she stuffed my cock in her mouth and proceeded to suck me off. Just as I was about to explode, she held my cock right in front of her mouth and said, "Come on, baby! Give me that load."

So that's exactly what I did.

As she licked the excess come from my dick, she asked, "Now, wasn't that better than going home to wank yourself off?"

I didn't like to admit it, but she was right! – *Tony, Cambridge* ♣

OVERDUE ANAL

I took it up the bum for the first time when I was a student. I was cheating on my boyfriend when it happened, and it was a pretty intense experience. I never discovered the lad's name who did it to me. I was out on the town with some other girls and we were all after sex big style... and that's exactly what I got! I thought this guy seemed sly as soon as I set eyes on him, like he was somehow a bit sinister or underhand, and I guess my suspicions were confirmed when he craftily stuck his cock up my arse in a cubicle the ladies'!

I remember he ate me out first from behind, and I really should have twigged what was coming when he spat on my bum hole and rimmed it with his tongue. We were both pretty breathless by the time we got round to locking ourselves away in the toilets and I'd steeled myself for a serious boffing, but in the event it was something else. This guy, whatever his name was, fucked me till I thought I was going to faint, and I've never forgotten that overwhelming intensity of my first anal orgasm. I'd had some raucous sex in my time, but up the bum was on a whole new level.

I'm married now, and my husband has never shown any interest in my arsehole. He'll do anything else, no matter how kinky, but my anus is out of bounds and I hadn't had it up there since that night ten years ago – up until yesterday.

I had to work late, and I was just about to leave the office when I got a call from a colleague asking if I could drop some files he'd forgotten at his house on my way home. Craig is a junior barrister and very seriously sexy, so I agreed readily enough. He knew I fancied him – I don't see the point of hiding it! – and I think it's fair to say he felt the same way about me.

I arrived at Craig's house and he invited me in for coffee. I accepted gladly, spotting an opportunity to have a good flirt if nothing else, but when he showed me into the lounge I was irked to find one of his mates sitting there twanging on an unplugged electric guitar. I'd been hoping to have Craig all to myself!

"Fiona, this is Brian, Brian, Fiona," he said cheerfully. "Brian's a fireman!"

"A fireman?"

"That's it," Brian confirmed, and then added, mischievously, "You want to see my hose, luv?"

> **"My arsehole clamped down on his cock, and he emptied his balls deep in the depths of my bum"**

Well, I did, truth be told!

"I certainly do," I said.

Craig winced, knowing full well what was about to happen. Brian put down the guitar, stood up, unzipped his flies, and unleashed a huge, massive cock.

"Oh...!" I said, shocked and impressed.

"Brian!" Craig scolded. "Sorry, Fiona, he's always like this when he's had a drink."

"It's quite OK," I chirped, walking over to Brian, whose penis was starting to harden a little. I seemed to have made a good first impression.

Sinking to my knees, I quickly took Brian's cock in my mouth, and gave it a long, hard suck, coating his entire length with my saliva.

"Ohhhhh fuuuuck...!" Brian managed to gasp as I massaged his shaft. His penis was hard in no time, and I was going to make it squirt.

Not one to be sold short, I wanted a cock up me – preferably Craig's.

"Come on Craig, don't just stand there!" I said, starting to strip.

Both men were totally speechless as I took all my clothes off, and then climbed on the sofa, getting on all fours so that Craig could fuck my fanny while Brian fucked my mouth.

Brian wasted no time, shoving his dick right back in my mouth and fucking it just like a cunt. Craig, on the other hand, went down on me, and I purred as I felt my labia being tongued from behind.

This was seriously good, and I really got stuck into blowing Brian, deep-throating him and squeezing his big hairy balls. Craig was eating me out ravenously, but soon I had the strangest feeling of déjà vu as my bum-cheeks were parted and I felt a huge gob of spit land on my anus, Craig was going to fuck me up my arse.

I felt a sharp slap across my buttocks, and my cunt gushed and tingled. Craig took his time, teasing me with his todger, dipping it into my cunt and then poking it at my ring. Then, suddenly, I gasped and shuddered as I felt my arsehole give way, admitting Craig's cock.

Craig rammed me up the back door hard and fast, thrusting his penis deep into my rectum. Brian was obviously turned on by the sight of his mate buggering me, and it wasn't long before I felt his cock start to twitch in my mouth and a wad of hot cum hit the back of my throat. I squeezed his bollocks as he squirted, wringing them dry, and he collapsed panting beside me, his spunk dripping off my chin.

"Oh God, Craig, fuck me, fuck me harder!" I pleaded as the dirty sod pummelled my arse.

Craig reached under me to grab my swinging tits, and I felt the mother of all orgasms brewing. Craig was on the vinegar stokes too, and I frigged my clitty until the moment arrived and I came. My anal hero blasted my insides with scalding man fat as my arsehole clamped down on his cock, and he emptied his balls deep in the depths of my bum.

It's a shame my husband won't do me the way I really like it, but I think Craig's going to be forgetting his files on a regular basis from now on. I certainly live in hope! – *Fiona, Kent*

BIG FROM BEHIND

I have been with my girlfriend, Sara, for the last six months and in that time I have only managed to fuck her twice. The rest of the time she has made me come by wanking me off or using her mouth. The problem is me, or rather my cock. People who think big cocks are the be all and end all are wrong.

When she first saw it she told me there was no way it was going in because it was too big, so we had to make do with oral sex and hand jobs. I didn't know but she had talked about it with her best friend – what they didn't know was that that they were overheard by someone else.

I work as a landscape gardener and when I got a call to go and see Sara's best friend's mum I thought nothing of it. When I got there Kate showed me round the garden, pointing out bits she wanted changed. Then out of the blue she told me she had heard the conversation between my girlfriend and her daughter.

"Is it really that big?" She asked and came over and wrapped one arm around my waist and the other running over the front of my jeans. My heart was in my mouth but I decided if she wanted to find out it was fine by me.

We went inside and Kate opened the front of my jeans then pulled out my cock. Even in it's semi hard state she couldn't get her hand around it. She dropped to her knees and started to suck, one hand to wank me and the other to play with my balls.

"I've been waiting all my life for a cock this big, now I want you to fucking use it!"

She lay back and opened her legs, I moved on top and put my cock against the lips of her cunt and slowly entered her. After I was about four inches in I stopped pushing because this was all Sara could usually take, but Kate had other ideas. She lifted her legs and wrapped them around my back and then pulled me deep inside I started to push and she moaned with pleasure.

> **"As I fucked her arse, Kate played with her clit and came for a second time"**

For me it was a great feeling being able at last to fuck the way I wanted, and I started to pump harder. After a while we changed position, I laid back and Kate got on top. As she slid up and down I had a great view of her huge tits as they bounced around in front of my face.

"We need to go upstairs for the next part," said Kate. She got off me and led me up to her bedroom, where she made me get on the bed while she went to the drawer. When she came back she had a dildo and a bottle of lube. She climbed on top of me and we started to fuck. As we did she poured some lube over the plastic cock, then as she leaned forward she started to slam up and down, telling me to ram it in as hard as I could.

Kate came with a massive moan and took the dildo out of her arse. But she wasn't finished; she opened the bottle of lube and poured a load over the end of my cock, then got down on her hands and knees.

"You can finish in here if you promise to take it easy to start with," she informed me.

I got behind and put the tip of my cock against her arse and slowly pushed, but I couldn't get it to go in. Kate told me to keep still and pulled her arse cheeks open and started to rock back and forth, and I watched in disbelief as it slipped in. She got about ten inches in and said that was enough and we started to fuck slowly.

As I fucked her arse. Kate played with her clit and came again, which sent her arse into spasms and sent me off. I shot a huge wad of spunk up her arse and then pulled my prick out to watch her arse close up. Since then I've been back as often as possible because unlike my girlfriend, Kate thinks twelve inches of cock is definitely not a pain in the arse. – *Eric, Essex* ♣

Stella...

where to stick it!

PHOTOS: 21ST SEXTURY

Despite the intention being there, a girlie night out with my beautiful pal Josie never seems to go as planned. It's not that neither of us can find the time in our busy schedules to get together, it's just when we do get together, we tend to get distracted. Last week we arranged to go out for the evening, but as per usual it didn't quite turn out that way.

I'd gone round to Josie's flat earlier in the evening to embark on the mammoth task of deciding what to wear. And this is when our evening plans went out the window. We spent almost two hours trying on different clothes from Josie's wardrobe and with all that dressing and undressing and seeing each other in our underwear, our lusts got the better of us.

> **"A shiver goes down her spine and she lets out a little moan"**

As you can imagine, everything Josie tried on she looked amazing in. Whether it was a tight pair of jeans, a mini skirt or her little black number she looked fabulous but by the time she had decided on what to wear, I had decided I wanted to see her naked. I pounced on her and began to devour her pussy. She responded by diving in between my legs and pretty soon we were feasting on each other's juicy slits.

Josie's pussy is as sweet as she looks and when I touch certain parts a shiver goes down her spine and she lets out a little moan. I know when I do this she's about to come so that's when I really get stuck in, lashing my tongue around her pussy as her moans get louder. And once Josie has had one orgasm, there's no stopping her, she wants more so I knew then there wasn't much chance of us actually going out that night. Mind you, a night in with Josie definitely makes up for it. ♣

FUR OR AGAINST?

The only thing fake about Paula is her coat. We hope.

PHOTOS: JACKS

Move over Peter Burns, this is how a woman makes a fur coat look beautiful. Of course the washed-up 80s pop freak turned most nauseating *Celeb Big Brother* contestant failed to complement his coat on two counts. Firstly by being fucking ugly. And secondly by being a bloke. But that's quite enough of that – we don't want to spoil the moment – so let's quickly turn our attention to Paula…

"Wearing this coat makes me feel so sexy," she told us. "The fur is so soft, it tickles my skin. I keep coming over in goose bumps and the only other time that happens to me is when I'm climaxing. I could quite easily wrap myself up in this coat, start fingering my pussy and pretty soon I'd be lost in a world of my own. In fact, that's exactly what I'm going to do now, I'm going to keep playing with myself until my pussy is gushing!"

Don't do that, love – the coat's probably dry clean only! ♣
